MOTION

ITEM: Rotary Membership for the city administrator

SUBMITTED BY: Sharon Lumby, City Clerk

REVIEWED BY: Tom Bouthilet, Finance Director

PURPOSE: The city council is being asked to approve the membership of City Administrator, Susan Hoyt, in the Lake Elmo Rotary Club. The purpose of the membership is three-fold First, to provide an opportunity for the city administrator to network with local community leaders as one way to better understand the community's goals and perceptions and to take into account in city business. Second, to provide a communication and coordination function between rotary's community service projects and the city's roles in helping with these. Thirdly, demonstrating the city's support for public service both as a city representative and as a citizen

The City had sponsored the former city administrator in the Lake Elmo Rotary Club. The city's participation will assist in coordination of the benefits received from the local rotary club. The initiation fee is \$50.00, the quarterly dues are \$125 and this amount has been budgeted.

Adopt a motion to approve City Administrator Susan Hoyt's membership in the Lake Elmo Rotary
