FROM: Rob Weldon, Public Works Director

AGENDA ITEM: Single Axle Dump Truck/Snow Plow Purchase

REVIEWED BY: Kristina Handt, City Administrator
Brian Swanson, Finance Director

BACKGROUND: The City of Lake Elmo Public Works Department utilizes a fleet of 9 vehicles to remove snow and salt over 140 lane miles of city streets on snow events. The fleet consists of pick-ups, loaders and single axle dump trucks. Of these vehicles, a 1986 dump truck is in service and in need of replacement due to age and maintenance issues. This unit is not equipped with a front plow or wing and the salting equipment is not calibrated with ground control sensors which cause excess salt to be applied to roads. Additionally, this 1986 vehicle, with lacking snow removal equipment, is used in conjunction with a loader to plow and salt an assigned route, thus making this route a two-person assignment.

ISSUE BEFORE COUNCIL: Should the City Council approve the purchase of a single axle dump truck/snow plow as outlined in the 2018-2022 Capital Improvement Plan?

PROPOSAL DETAILS/ANALYSIS: Proceeding with this purchase will benefit the city and its citizens by replacing an aged truck with very limited capabilities with a new truck that is fully capable of handling all aspects of snow and ice control. Additionally, public works will be able to modify its plow routes in a way that will not only retire the 1986 truck, but also eliminate the need to plow over 25 lane miles of city streets with a loader, which does not have capabilities to apply salt. Overall, this new piece of equipment will do the tasks of two older machines. This purchase will aid Pubic Works in its increasing demand for snow removal due to the continued growth of the city.

Along with snow plowing activities, staff is proposing to equip this truck with a removable belted conveyor, which can be utilized to spread gravel needed to repair and maintain road shoulders.

FISCAL IMPACT: Purchase of this vehicle shall not exceed \$243,000 and will be funded through Municipal Bonds. It should be noted that the initial CIP amount was listed as \$240,000. The increase in price is due to the addition of the proposed conveyor.

OPTIONS: Approve purchase of dump truck/snow plow as recommended by MAC
Deny purchase of dump truck/snow plow
Amend and approve purchase of dump truck/snow plow

RECOMMENDATION: *If removed from consent agenda.....*

“Motion to approve the purchase of a single axle dump truck/snow plow for an amount not to exceed \$243,000”

This Purchase Contract is subject to the following terms and conditions which have been mutually agreed upon:

1. That the Purchaser, before or at the time of taking delivery of the motor vehicle covered by the Purchase contract, will execute such other forms of agreements or documents as may reasonably be required by the dealer.
2. If the Manufacturer makes any changes in the model or design of any accessories and/or parts of any new motor vehicles at any time, it does not create any obligation on the part of the Dealer to make corresponding changes in the vehicle covered by this order either before or subsequent to the delivery of such vehicle to the Purchaser.
3. The Dealer shall have the right to re-appraise the motor vehicle to be traded-in or modify accordingly the delivery price of the motor vehicle purchased herein, if the said trade-in vehicle is subsequently damaged or parts and/or accessories have been removed or replaced, or if it exceeds any mileage/kilometer limitation stated on the face of this contract.

PURCHASER INITIAL HERE: _____

TERMS AND CONDITIONS

This purchase agreement is tendered by the Purchaser for acceptance by the Dealer, and it will not be binding upon the Dealer unless accepted and signed by the Dealer.

If the terms of payment herein provided are other than cash, the Purchaser agrees to execute and deliver to the Dealer, prior to the delivery of said vehicle(s), a security agreement, in the form customarily required by it, covering said vehicle(s) in order to secure the payment of the indebtedness due hereunder. The Purchaser further agrees that this purchase agreement shall be subject to all the terms and conditions of said security agreement, which shall supersede this purchase agreement to the extent inconsistent herewith; provided that Purchaser's warranty as to any used motor vehicle or equipment traded in by the Purchaser and taken by the Dealer as part payment hereunder (hereinafter such used motor vehicle or equipment is called the "used equipment") shall survive the execution of the security agreement.

The Purchaser warrants that the used equipment, if any, is free and clear of all liens and/or encumbrances of any nature whatsoever, and that the Purchaser has good and marketable title to the used equipment at the time of delivery thereof to the Dealer, unless noted otherwise under other conditions of sale. The used equipment is to be delivered to the Dealer in the same condition and appearance in which it was when first inspected by the Dealer or its agent. The Dealer, upon delivery of the used equipment, shall have the right once again to inspect the used equipment, and the Dealer shall be the sole judge as to its condition, with the right to accept or reject the used equipment at its option. If the used equipment is not in a condition and appearance as good as it was when first inspected by the Dealer, the Dealer shall have the right to revalue the amount of allowance offered for such equipment and the total cash purchase price shall be increased accordingly. The Purchaser agrees that the amount of the allowance made upon the used equipment, if any, is to be applied by the Dealer as part payment on the purchase price of said vehicle(s).

The Dealer shall not be held responsible for any loss, damage, detention, delay or failure to deliver resulting from any cause which is unavoidable or beyond its reasonable control, including, but not limited to, fire, flood, natural disaster, strike or labor disturbance, accident, vandalism, riot or insurrection, war, any order, decree, law or regulation of any court, government or governmental agency, shortage of materials, demand in excess of available supply, failure or interruption of normal transportation or power facilities; AND IN NO EVENT SHALL THE DEALER BE LIABLE FOR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF INCOME. The receipt of said vehicle(s) by the Purchaser upon delivery shall constitute a waiver of all claims for loss or damage due to delay.

In the event that the within purchase agreement is accepted by the Dealer and the Purchaser fails to accept delivery and perform this contract pursuant to its terms, the Dealer shall have the right to retain the amount paid to the Dealer in cash and/or the used equipment on account of the purchase price of said vehicle(s) as liquidated damages in addition to such other rights as the Dealer may have under law. In the event that the within purchase agreement is canceled by mutual written agreement of the Dealer and the Purchaser or if the Dealer is unable to make delivery of said vehicle(s), the Dealer will return and the Purchaser will accept the cash and the used equipment (or if the used equipment shall have been sold, the net amount received by the Dealer from the sale thereof) in full discharge of any obligations of the Dealer to the Purchaser hereunder.

A security interest in said vehicle(s) shall remain in the Dealer until the payment in full of the purchase price or, if the terms of payment herein provided are other than cash, until the execution and delivery of a security agreement, as hereinabove provided, at which time the terms of said security agreement shall control.

In the event of Purchaser's failure to make payment of the purchase price when due, the Dealer may take immediate possession of said vehicle(s), without demand or further notice. For this purpose and in furtherance thereof, the Purchaser shall, if the Dealer so requests, make said vehicle(s) available to the Dealer at a reasonably convenient place designated by it, and the Dealer shall have the right, and the Purchaser does hereby authorize and empower the Dealer, its agents, servants or employees, to enter upon the premises wherever said vehicle(s) may be and remove the same; and the Purchaser hereby expressly waives any action or right of action of any kind whatsoever against the Dealer, its agents, servants or employees because of the removal, repossession or retention of said vehicle(s) or otherwise.

The Purchaser agrees that if the cost of labor, materials, body, accessories or other equipment or component parts increases beyond the basis upon which the price set forth herein was established, then the Dealer, at any time before delivery, may give the Purchaser written notice of an increase in price, and such increased price shall be the contract price, unless Purchaser within ten days thereafter shall give Dealer written notice of cancellation. Any such increase in the contract price, pursuant to this provision, however, shall not prevent additional increases, if necessary, under the circumstances set forth herein at any time prior to delivery.

If the cost to the Dealer of insurance to be furnished by the Dealer hereunder is increased at any time prior to the delivery of said vehicle(s) the Purchaser agrees to pay for the insurance herein provided for at such increased rate.

ALL TAXES NOW OR HEREAFTER IMPOSED UPON THE SALE OF SAID VEHICLE(S) SHALL BE PAID BY THE PURCHASER.

The Purchaser agrees that all previous communications between the Purchaser and the Dealer, either verbal or written, with reference to the subject matter of this purchase agreement, are hereby abrogated. The Purchaser further agrees that no modification of this Agreement shall be binding upon the Dealer unless such modifications shall be in writing and agreed to and accepted in writing by authorized personnel of the Dealer.

This instrument contains the entire agreement between the parties, and there are no understandings or representations not contained herein.

THE DEALER AND THE MANUFACTURER MAKE NO WARRANTIES AS TO SAID VEHICLE(S), EXPRESS, IMPLIED, OR IMPLIED BY LAW, EXCEPT THE MANUFACTURER'S STANDARD VEHICLE WARRANTY, A COPY OF WHICH HAS BEEN DELIVERED TO THE PURCHASER AND WHICH IS INCORPORATED HEREIN BY REFERENCE. THE DEALER AND THE MANUFACTURER SPECIFICALLY DISCLAIM ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ANY LIABILITY FOR CONSEQUENTIAL DAMAGES.

THIS MAY BE A BINDING CONTRACT AND YOU MAY LOSE ANY DEPOSITS IF YOU DO NOT PERFORM ACCORDING TO ITS TERMS.

UNLESS OTHERWISE STATED, ALL INCENTIVES TO THE DEALER.

THE TERMS AND CONDITIONS HEREOF ARE A PART OF THIS AGREEMENT. THE PURCHASER ACKNOWLEDGES HAVING READ THIS AGREEMENT INCLUDING SUCH TERMS AND CONDITIONS AND FURTHER, PURCHASER ACKNOWLEDGES RECEIVING A COPY OF THIS AGREEMENT.
