A social gathering may or may not be held at the Lake Elmo Inn following the meeting.

City of Lake Elmo City Council Minutes

August 17, 2010

Mayor Johnston called the meeting to order at 7:00 p.m.

PRESENT: Mayor Johnston and Council Members DeLapp, Emmons (arrived 7:05 p.m.), Park and Smith

Also Present: Administrator Messelt, City Engineer Stempski, Attorney Snyder, Planning Director Kyle Klatt, and City Clerk Lumby

APPROVAL OF AGENDA:

MOTION: Council Member Smith moved to approve the August 17, 2010 City Council agenda. Council Member Park seconded the motion. The motion passed 4-0.

GROUND RULES:

APPROVED MINUTES:

The August 4, 2010 City Council minutes are approved by consensus.

PUBLIC COMMENTS/INQUIRIES:

Paul Ryberg, 11326 N. 30th Street, attended the Washington County board meeting where the Board indicated it has no plans at this time to close the Lake Elmo Library. He asked that the City Council and staff continue to fight to keep the library open.

CONSENT AGENDA:

MOTION: Council Member Park moved to approve the Consent agenda. Council Member Emmons seconded the motion. The motion passed 5-0.

- Approve payment of disbursements and payroll in the amount of \$364,989.84
- Approve Encroachment Agreement at 5802 Lily Cove N. as presented
- Approve Revision to the By-Laws of the Lake Elmo Firefighter's Relief Association to allow Pro-Rating for Years of Service
- Accept quotes and award the contract for the 42nd Street Mill and Overlay Project to Hardrives, Inc. for their base quote of \$49,529.55

REGULAR AGENDA:

2009 Street Improvements: Public Hearing on Final Assessments: Resolution No. 2010-

Ryan Stempski, Assistant City Engineer, requested the City Council conduct the required Public Hearing regarding Final Assessments for the 2009 Street Improvements. The proposed final assessments for each benefitting property are as follows:

Myron Ellman Subdivision (Legion Avenue) = \$700 Eden Park Development (Legion Ln, Legion Ct., Legion Cr., Lisbon Ave) = \$1,750 Eden Park 2nd Development (21st Street N.) = \$2,200 The Forest Development (3rd Street Place N.) = \$1,750

Mayor Johnston called the public hearing to order at 7:12 pm.

There was no one to speak for or against the proposed assessments.

Mayor Johnston closed the public hearing at 7:13 p.m.

MOTION: Council Member DeLapp moved to approve Resolution No. 2010-039; A Resolution adopting the Final Assessment Roll for the 2009 Street Improvement Project Council Member Park seconded the motion. The motion passed 5-0.

Adoption of Required Updates to 2030 Lake Elmo Comprehensive Plan

Kyle Klatt, Planning Director, requested City Council review and affirmatively consider adoption of required updates to the City's 2030 Comprehensive Plan, based on the Metropolitan Council's acceptance of this document a its March 24, 2010 meeting. The action by the Met Council grants Lake Elmo authorization to put the 2030 update into effect.

Kyle Klatt reported there are four primary elements that must be addressed in a community's comprehensive plan, which include: background information, land use plan, public facilities plans and implementation. As part of the 2008 update requirement, the City was not required to update the first two of these sections, background and land use. Therefore, the document incorporates the entirety of these sections as they were drafted by the City as part of the previous update. In particular, the land use section has not been updated or altered in any way, and doing so would alter many portions of the current update that are based on this section.

Council Member Emmons found a page missing on the CD Rom of the Comprehensive Plan.

MOTION: Council Member Smith moved to approve Resolution No. 2010-040 adopting the Lake Elmo 2030 Comprehensive Plan Update. Council Member Park seconded the motion. The motion passed 4-1 (DeLapp noted that there are 50 corrections to the 2005 plan, and the City has had five years to make those corrections and they have not). Discussion regarding Washington County SSTS Ordinance

Chris LeClair, Washington County Public Health Dept, provided a presentation regarding the Subsurface Sewage Treatment System (SSTS) regulations recently adopted by Washington County.

In accordance with Minnesota statutes, the City must adopt an ordinance that, at a minimum, is as strict as the new County ordinance within one year from the date of County approval. In this case, the City must revise its regulations to either match or exceed the County's regulations by September 23, 2010, or will otherwise be required to abide by the County's ordinance.

The Council consensus was to adopt action #2 Washington County SSTS ordinance by reference---any future revisions by the County would not require adoption by the City. The Council asked staff to proceed in discussions with representatives from Washington County Public Health Dept. on fees f or County inspections and septic reporting.

<u>Proposed Stay in Establishment of a Memorial Public Library System: Resolution No. 2010-041</u>

This item was scheduled at the request of Administrator Messelt and City Attorney Snyder in order to update the Council on efforts to retain and enhance library services for the Lake Elmo community. The City Administrator and City Attorney formally met with County officials on two different occasions, and have continued to research and discuss applicable legal, operational and financial implications with various representatives from the County, as well as state and regional library authorities.

An article from the Star and Tribune on what's going on in Hugo providing library services in a kiosk located at the Hugo City Hall.

Administrator Messelt reported the Washington County Board has finished its budget review process and recommend a balanced budget funding for nine libraries (4 boutique libraries.) There was no talk about closing any libraries this year. They will be looking into changes in service pattern assessments of core services and new service models.

MOTION: Mayor Johnston moved to approve Resolution No. 2010-041, staying establishment of a public Library System, authorizing a Library Levy, and establishing a Public Library Board for the City of Lake Elmo. Council Member DeLapp seconded the motion. The motion passed 5-0.

Discussion regarding "Next Steps" in Village Area/I-94 Corridor Master Planning

City Council discussion focused on the number of city sewer connections for the Old Village with the rest being established south of 10th Street.

Council Member Emmons opined 600 units in the Old Village was preferred by a number of residents who attended the open meeting at Oakland Jr. H.S. and this would make sense in the City's comprehensive plan.

Council Member Smith suggested 935 sewer units for the Old Village, based upon one REC unit per acre for the 925 acres of the Old Village currently undeveloped. Administrator Messelt noted that such a count doesn't mean that there will just be one building per acre. There could be multiple houses clustered together with an area of open space next to the development and smaller units, such as apartments, may not equal 1 REC per apartment. When development does come into the City, the City anticipates the developers will pay for 100 percent of the sewer connection costs.

Council Member Park indicated that the base should be defined as a range of 600-935 sewer units.

MOTION: Council Member Smith moved to set 935 sewer units for the Old Village area in the Comprehensive plan. Council Member DeLapp seconded the motion.

MOTION: Council Member Emmons moved to amend the motion to define the base as a range of 600-935 sewer units in the Old Village area. Council Member DeLapp seconded the motion. The motion failed 2-3 (Mayor Johnston Council Member DeLapp and Smith voting against),

MOTION: The original motion then passed 3-2 (Council Member Emmons and Park voting against.)

Council Member Smith said that if done correctly the development could be tasteful and serve as a model for other metro cities.

REPORTS AND ANNOUNCEMENTS:

In answer to Administrator Messelt's request to the Council on pipeline design, cost and concepts for zoning and master plan, the Council consensus was to provide direction to staff to proceed with getting bids and bonding information for is design, including an option for force-main and gravity pipeline established south of 10th Street. City Engineer Griffin will come back to the Council for formal approval. Administrator Messelt said he will now be better able to talk with the school district and developers.

Administrator Messelt reported the Planning Commission suggested looking into the Interim Use Permit for Ag sales that would allow bringing in supplemental produce and

also recommended staff continues to stay enforcement of the ordinance that currently isin place regarding Ag sales until its review is completed.

MOTION: Council Member DeLapp moved to direct staff to continue the current stay on enforcement and bring back to Council a formal Resolution under the consent agenda to stay such enforcement for off-site Ag sales until the City's review is completed. Council Member Park seconded the motion. The motion passed 5-0.

Administrator Messelt will check with staff on the status of the illegal structures.

The City Council adjourn the meeting at 9:45 p.m.

Respectfully submitted by Sharon Lumby, City Clerk

MOTION

as part of Consent Agenda

AGENDA ITEM:

Approve Disbursements and Payroll in the Amount of \$406,817.66

SUBMITTED BY:

Tom Bouthilet, Finance Director

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY:

City Staff

SUMMARY AND ACTION REQUESTED: As part of its Consent Agenda, the City Council is asked to approve disbursements and payroll in the amount of \$ 406,817.66. No specific motion is needed, as this is recommended to be part of the overall approval of the *Consent Agenda*.

BACKGROUND INFORMATION: The City of Lake Elmo has fiduciary authority and responsibility to conduct normal business operation. Below is a summary of current claims to be disbursed and payroll to be paid in accordance with State law and City policies and procedures.

Claim#	Amount	Description
ACH	\$ 6,962.28	
ACH	\$ 1,169.25	
ACH	\$ 3,718.71	Payroll Retirement to PERA 08/26/2010
DD 2944 –DD 2958	\$ 20,947.63	Payroll Dated 08/26/2010 (Direct Deposit)
35988 – 35993	\$ 3,984.82	Payroll Dated 08/26/2010 (Payroll)
35994 - 36070	\$ 370,035.51	Accounts Payable Dated 09/07/2010
<u>.</u>		
TOTAL	\$ 406,817.66	

STAFF REPORT: City staff has complied and reviewed the attached set of claims. All appears to be in order and consistent with City budgetary and fiscal policies and Council direction

RECOMMENDATION: It is recommended that the City Council approve as part of the Consent Agenda proposed disbursements in the amount of \$ 406,817.66.

Alternatively, the City Council does have the authority to remove this item from the Consent Agenda or a particular claim from this item and further discuss and deliberate prior to taking action. If done so, the appropriate action of the Council following such discussion would be:

"Move to approve the September 7th, 2010 Disbursement and Payroll, as Presented [and modified] herein."

MOTION as part of the Consent Agenda

AGENDA ITEM:

2010 Street and Water Quality Improvements - Change Order No. 1

SUBMITTED BY:

Ryan Stempski, Assistant City Engineer

THROUGH:

Bruce A Messelt, City Administrator

REVIEWED BY:

Tom Bouthilet, Finance Director

Jack Griffin, City Engineer

SUMMARY AND ACTION REQUESTED: The City Council is asked to approve Change Order No. 1 for the 2010 Street and Water Quality Improvements. The Contractor, T.A. Schifsky and Sons, Inc. submitted Change Order No. 1 in the additional amount of \$8,805.00. This request has been reviewed and is recommended in the amount requested. No specific motion is needed, as this is recommended to be part of the overall approval of the Consent Agenda.

<u>ADDITIONAL INFORMATION:</u> It was necessary to haul in additional aggregate base to Jane Road, which required a change order in the amount of \$8,805.00. This material was to be obtained from the excess reclaimed material from other streets on the project. There was an insufficient amount of material generated from those streets.

The construction of Jane Road remains on budget. A construction contingency was maintained for unforeseen conditions during the construction of Jane Road in the amount of \$8,787. Also, other quantities on Jane Road are tracking below their estimated amount.

RECOMMENDATION: Based upon the above information, it is recommended that the City Council approve as part of tonight's *Consent Agenda* Change Order No. 1 in the amount of \$8,805.00.

Alternatively, the City Council does have the authority to remove this item from the *Consent Agenda*, table this item for future consideration, or further discuss and deliberation prior to taking action. If the latter is done so, the appropriate action of the Council following such discussion would be:

"Move to approve Change Order No. 1 in the amount of \$8,805.00 for the 2010 Street and Water Quality Improvements project [and amended and/or modified at tonight's meeting]."

ATTACHMENTS:

1. Change Order No. 1

MOTION as part of the Consent Agenda

AGENDA ITEM:

2010 Street and Water Quality Improvements - Partial Payment No. 1

SUBMITTED BY:

Ryan Stempski, Assistant City Engineer

THROUGH:

Bruce A Messelt, City Administrator

REVIEWED BY:

Tom Bouthilet, Finance Director

Jack Griffin, City Engineer

<u>SUMMARY AND ACTION REQUESTED</u>: The City Council is asked to approve partial payment to T.A. Schifsky and Sons, Inc., the Contractor for the 2010 Street and Water Quality Improvements project. The Contractor submitted Partial Payment Certificate No. 1 in the amount of \$189,802.11, along with Change Order No. 1 in the additional amount of \$8,805.00 (see *Consent Agenda* Item No. 3a). This request has been reviewed and payment is recommended in the amount requested. No specific motion is needed, as this is recommended to be part of the overall approval of the *Consent Agenda*.

ADDITIONAL INFORMATION: 5% of the work completed for Partial Payment Certificate No. 1 has been retained in the amount of \$9,930.66 in accordance with the Contract documents.

RECOMMENDATION: Based upon the above information, it is recommended that the City Council approve as part of tonight's *Consent Agenda* Partial Payment No. 1 in the amount of \$188,676.75.

Alternatively, the City Council does have the authority to remove this item from the *Consent Agenda*, table this item for future consideration, or further discuss and deliberation prior to taking action. If the latter is done so, the appropriate action of the Council following such discussion would be:

"Move to authorize Partial Payment No. 1 in the amount of \$188,676.75, to be paid from the Project Fund, for the 2010 Street and Water Quality Improvements project [and amended and/or modified at tonight's meeting]."

ATTACHMENTS:

1. Payment Certificate No. 1

MOTION

Resolution 2010-042

AGENDA ITEM:

Continue Stay on Enforcement of Certain Agricultural Sales Business

Activities

SUBMITTED BY:

Kyle Klatt, City Planner

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY:

Dave Snyder, City Attorney

<u>SUMMARY AND ACTION REQUESTED</u>: The City Council is respectfully requested to consider approving as part of tonight's *Consent Agenda* Resolution 2010-042, continuing the current stay on enforcement of certain Agricultural Sales Business Activities, until such time as the City's review of relevant Zoning Ordinance provisions is completed.

BACKGROUND INFORMATION: During its August 16th, 2010 Meeting, the Planning Commission directed City staff to prepare additional information regarding potential alternatives to the current zoning language relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions, and further unanimously recommended continuing the stay on enforcement activities until such time as the entire review was fully completed.

On August 17th, 2010, based upon the recommendation of the Planning Commission, the City Council unanimously declared that the current stay on enforcement of zoning provisions relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions, remain in place until the City's review was completed. The City Council further directed preparation of a formal Resolution stating such.

STAFF REPORT: The City is in its final stages of its review and will be working with the Planning Commission to prepare recommendations for the City Council later this fall. As per City Council direction, the proposed resolution has been prepared for tonight's review and consideration.

RECOMMENDATION: Based upon the above background information and staff report, it is recommended that the City Council approve Resolution 2010-042, as part of tonight's *Consent Agenda*, continuing the current stay on Enforcement of Certain Agricultural Sales Business Activities.

Alternatively, the City Council does have the authority to remove this item from the *Consent Agenda*, table this item for future consideration, or further discuss and deliberation prior to taking action. If the latter is done so, the appropriate action of the Council following such discussion would be:

"Move to approve Resolution 2010-042 continuing the current stay on Enforcement of Certain Agricultural Sales Business Activities [as amended at tonight's meeting]."

ATTACHMENTS: Resolution No. 2010-042

SUGGESTED ORDER OF BUSINESS (if removed from the Consent Agenda):

CITY OF LAKE ELMO WASHINGTON COUNTY, MINNESOTA

RESOLUTION NO. 2010-042

A RESOLUTION CONTINUING A STAY ON ENFORCEMENT OF ZONING CODE PROVISIONS REGARDING AGRICULTURAL SALES BUSINESS ACTIVITIES RELATING TO GROWN-ON-THE-PREMISES PROVISIONS, PENDING COMPLETION OF AN ONGOING REVIEW

WHEREAS, on December 1st, 2009, the City Council of the City of Lake Elmo learned of certain activities and potential enforcement considerations relating to its zoning provisions regarding Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions; and

WHEREAS, in recognition of the proximity to the Holiday tree sales season, the City Council of the City of Lake Elmo formally stayed any enforcement until at least January 2010; and

WHEREAS, the City Council of the City of Lake Elmo further directed the City to review its current Ordinance provisions and to meet with impacted property owners to consider potential alternatives to its current language; and

WHEREAS, the City of Lake Elmo has met with affected property owners, has completed its review of alternative ordinances, has presented suggested changes to the Wayside Stand provisions to the Planning Commission and City Council; and

WHEREAS, on July 6th, 2010, the City Council of the City of Lake Elmo formally adopted the recommended changes to the Wayside Stand provisions, following unanimous Planning Commission endorsement of such and the conduct of a public hearing; and

WHEREAS, on July 6th, 2010, the City Council affirmed City staff's interpretation of the current stay on enforcement activities until such time as the entire review was completed; and

WHEREAS, on August 16th, 2010 the City of Lake Elmo presented initial suggestions to the Planning Commission regarding potential alternatives to the City's

current zoning language relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provision; and

WHEREAS, on August 16th, 2010, the Planning Commission directed City staff to further prepare potential alternatives to the current zoning language relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions, and further unanimously recommended continuing the stay on enforcement activities until such time as the entire review was fully completed; and

WHEREAS, on August 17th, 2010, the City Council of the City of Lake Elmo unanimously declared that the current stay on enforcement of zoning provisions relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions, remain in place until the City's review is completed, and directed preparation of a formal Resolution stating such.

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the City of Lake Elmo does continue the current stay on enforcement of certain provision of the Zoning Ordinance relating to Agricultural Sales Business activities, especially with respect to the grown-on-the-premises provisions, remain in place until the City's review is completed.

ADOPTED, by the Lake Elmo City Council on this, the 7th day of September, 2010.

MOTION

Resolution 2010-043

AGENDA ITEM: Approve Issuance of G.O. Improvement Bond; Series 2010A

SUBMITTED BY: Tom Bouthilet, Finance Director

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY: Joe Rigdon, KDV

SUMMARY AND ACTION REQUESTED: The City Council is respectfully requested to consider approving as part of tonight's Consent Agenda the issuance of General Obligation Improvement Bonds; Series 2010A, in the amount not to exceed \$710,000 for 2010 Street Improvements.

BACKGROUND INFORMATION: During the January 26, 2010, the City Council conducted a public hearing for the 2010 Street Improvements. Assistant City Engineer Stempski presented the proposed improvements, including scope of work, proposed approach and timeline, estimated project costs, estimated local improvement assessment for benefitting properties and pros and cons of selection of either bituminous or concrete curb.

On June 1,2010 the City Council approved Resolution 2010-027, accepting the bids and awarding a contract for the 2010 street and water quality improvements to T.A. Schifsky & Sons Inc. The 2010 street and water quality improvements are scheduled to be completed by September 30, 2010.

STAFF REPORT: The City is in its initial stage of financing the 2010 street and water quality improvements. The first step in this process is to approve, by resolution, the issuance of General Obligation Improvement Bond.

RECOMMENDATION: Based upon the above background information and staff report, it is recommended that the City Council approve Resolution 2010-043, as part of tonight's Consent Agenda, authorizing the issuance of General Obligation Bond; Series 2010A.

Alternatively, the City Council does have the authority to remove this item from the Consent Agenda, table this item for future consideration, or further discuss and deliberation prior to taking action. If the latter is done so, the appropriate action of the Council following such discussion would be:

"Move to approve Resolution 2010-043 approving the issuance of General Obligation Bond Series 2010A in the amount not to exceed \$710,000 [as amended at tonight's meeting]."

CITY OF LAKE ELMO WASHINGTON COUNTY, MINNESOTA

RESOLUTION NO. 2010-043

RESOLUTION APPROVING THE ISSUANCE OF GENERAL OBLIGATION IMPROVEMENT BONDS; SERIES 2010A

BE IT RESOLVED by the City Council of the City of Lake Elmo, State of Minnesota (herein, the "City"), as follows:

- 1. The City Council hereby finds and declares that it is necessary and expedient for the District to sell and issue its fully registered general obligation improvement bonds in the total aggregate principal amount of not to exceed \$710,000 (herein, the "Bonds"). The proceeds of the Bonds will be used to fund various street improvement projects within the City and to fund the costs of issuing the Bonds.
- 2. The City Council desires to proceed with the sale of the Bonds by direct negotiation to Northland Securities, Inc. (herein, "NSI").
- 3. The City Finance Director and City Administrator are hereby authorized to approve the sale of the Bonds in an aggregate principal amount of not to exceed \$710,000 and to execute a bond purchase agreement for the purchase of the Bonds with NSI, provided that the true interest cost does not exceed 3.50%.
- 4. Upon approval of the sale of the Bonds by the City Finance Director and the City Administrator the City Council will take action at its next regularly scheduled meeting thereafter to adopt the necessary approving resolutions as prepared by the City's bond counsel.
- 5. NSI is authorized to prepare an official statement related to the sale of the Bonds.
- 6. If the City Finance Director and City Administrator have not approved the sale of the bonds to NSI and executed the related bond purchase agreement by December 31, 2010, this resolution shall expire.

ADOPTED by the City Council of the City of Lake Elmo on September 7, 2010.

ATTEST:	Dean A. Johnston, Mayor

FINANCE PLAN SUMMARY

City of Lake Elmo, Minnesota

\$710,000 General Obligation Improvement Bonds, Series 2010A

Prepared by:

45 South 7th Street
Suite 2000
Minneapolis, MN 55402
612-851-5900
800-851-2920

September 7, 2010

City of Lake Elmo, Minnesota \$710,000

General Obligation Improvement Bonds, Series 2010A

Financing Overview

Proceeds from this bond issue will be used to fund the City's 2010 Street Improvement Projects. The estimated project cost total of \$680,000 plus financing costs result in a financing requirement of \$710,000. A detailed illustration of the sources and uses of funds is as follows:

Sources & Uses

Dated 11/01/2010 Delivered 11/01/2010		
Sources Of Funds		
Par Amount of Bonds	\$710,000.00	
Total Sources	\$710,000.00	
Uses Of Funds		
Total Underwriter's Discount (1.960%)	13,916.00	
Costs of Issuance	12,895.00	
Deposit to Project Construction Fund	680,000.00	
Rounding Amount	3,189.00	
Total Uses	\$710,000.00	

The estimated principal and interest is illustrated as Exhibit A. The debt is scheduled to be repaid through the years 2012 – 2021. The interest estimate is based on an assumed average rate of 1.79%. The principal payment structure is based on the City's expectations of special assessment revenues and property tax collections to be received over the term of the Bonds. The special assessment revenue stream assumes the City will file \$174,000 of assessments in 2010 for first collection in 2011 over a term of ten years at a rate of 5.00%. The estimated average annual tax levy for the project will be approximately \$58,564 at the 105% requirement. The summary cash flow analysis detailing the revenues and tax levy component is illustrated in Exhibit B.

Related Considerations

- Bank Qualified We understand the City (in combination with any subordinate taxing
 jurisdictions or debt issued in the City's name by 501c3 corporations) does not
 anticipate issuing more than a total of \$30,000,000 in tax-exempt debt during this
 calendar year. Therefore the bonds will be designated as "bank qualified" obligations
 pursuant to Federal Tax Law if the Bonds are sold as Tax Exempt securities.
- Arbitrage and Rebate We understand the City anticipates issuing \$5,000,000 or less in tax-exempt bonds in calendar year 2010 and therefore any arbitrage earnings in the construction fund will be exempt from rebate.

This exemption from rebate does not eliminate the need to comply with other arbitrage regulations governing the investment of bond proceeds and debt service funds. In particular, the City should become familiar with the requirements for maintaining a "bona fide" debt service fund. These requirements will be explained in the bond transcript following closing.

- The Bonds will be global book entry with a bank designated as the paying agent. As "paperless" bonds, you will avoid the cots of bond printing and annual registrar charges. The Paying Agent will invoice you for the interest semiannually and on an annual basis for the principal coming due. You will be charged only for paying agent/transfer agent services provided by the bank. This cost of services has been capitalized into the bond issue.
- Because the City's outstanding debt is more than \$10.0M it is subject to full disclosure requirements of the Securities and Exchange Commission. Northland can assist the City in complying with these requirements.

Summary of Recommended Terms

7. Tax Status

8. Credit Rating

Negotiated 1. Type of Bond Sale 2. Bond Pricing Wednesday, October 13, 2010 Council Consideration Tuesday, October 18, 2010 at 7:00 p.m. 4. Statutory Authority The Bonds are being issued pursuant to Minnesota Statutes 429 and 475. 4. Repayment Term The Bonds will mature annually each February 1, 2012 - 2021. Interest on the Bonds will be payable on August 1, 2011 and semiannually thereafter on each February 1 and August 1. 5. Security General obligation pledge of the City. The City expects to fund debt service from a combination of special assessments and property tax collections as previously discussed. 6. Prepayment Feature The Bonds maturing February 1, 2018 – 2021 will be subject to prepayment on February 1, 2017 at a price of par plus accrued interest.

The City's general obligation debt is currently rated "AA" by Standard & Poor's rating service. We believe a credit rating will be cost effective for this issue and we will pursue a rating with S&P for the Bonds.

MOTION

as part of Consent Agenda

AGENDA ITEM:

Purchase of Equipment Related to Audio Visual Improvements for the

Council Chambers

SUBMITTED BY:

Carol Kriegler, Project Assistant

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY:

Ted Arbeiter, Director of Facilities and Technical Support, RWCC

Ginny Holder, Lake Elmo Cable Commissioner

Tom Bouthilet, Finance Director

Carol Luczak, Program Support Assistant

<u>SUMMARY AND ACTION REQUESTED</u>: The City Council is respectfully requested to authorize as part of tonight's *Consent Agenda* the purchase of production-related audio visual equipment; to include confidence monitors, to be installed on the east and west walls of the Council Chambers, a permanently-wired gooseneck microphone for the podium, and incidental materials and supplies related to the installation of the equipment by the Ramsey Washington Cable Commission technical staff.

BACKGROUND INFORMATION: A number of audio visual improvements were made in the Council Chambers over the past year. The goal of the equipment purchases and installation is to improve overall production and presentation quality and reliability. Goals of the improvement program include the reduction/elimination of technical difficulties, improved audio and picture quality, improved presentation capabilities, and the elimination of visible wiring/cables and related trip hazards. While many goals were largely accomplished, staff has identified opportunities for further improvement.

STAFF REPORT: It is recommended that two 55" confidence monitors be purchased and installed on the east and west walls of the Council Chambers. The monitor on the west wall will provide the City Council with a convenient opportunity to view the program output that is being broadcast to viewers in their homes. This monitor will replace the TV located on the cart, which can then be made available for the purpose of serving an overflow crowd in the entrance lobby,

should the need arise. The monitor on the east wall will serve the same purpose for staff seated at the north wing of the Dias. In addition, this monitor will provide an additional viewpoint to be seen more comfortably by citizens in attendance. The purchase and hardware installation of the permanently-wired gooseneck microphone is intended to improve the audio quality of presenters at the podium.

In the interest of compatibility and convenience, purchase of the monitors and microphone are recommended from Alpha Video, the 2009 improvement project vendor. Ted Arbeiter of RWCC has reviewed the purchase prices to ensure that the pricing is reasonable and competitive.

FINANCIAL CONSIDERATIONS: The City is eligible to receive a reimbursement grant from the Ramsey Washington Cable Commission in an amount not to exceed \$75,000 for the purchase and installation of *production-related* audio visual improvements for the Council Chambers. Audio visual improvements accomplished in 2009 did not exceed \$50,000, leaving an ample balance for additional needed improvements. Pricing of the equipment is anticipated to be as follows:

- LG 55" HD LCD Confidence Monitors \$1,749.00 each
- Shure 18" Gooseneck microphone \$170.00

RECOMMENDATION: Based upon the above background information and staff report, it is recommended that the City Council approve as part of tonight's *Consent Agenda* the purchase of the above-denoted equipment and submission of a grant application for reimbursement for such.

Alternatively, the City Council does have the authority to remove this item from the *Consent Agenda*, table this item for future consideration, or further discuss and deliberation prior to taking action. If the latter is done so, the appropriate action of the Council following such discussion would be:

Move to approve the purchase of grant-eligible, production related audio visual equipment to include two confidence monitors, a gooseneck microphone and incidental components, materials and supplies related to their installation, at a cost not to exceed \$5,000.00 [as amended at tonight's meeting].

MOTION:

Resolution 2010-044

AGENDA ITEM:

2011 Proposed General Levy and Annual Budget

SUBMITTED BY:

Tom Bouthilet, Finance Director

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY:

Joe Rigdon, Financial Consultant

Dave Snyder, City Attorney

<u>SUMMARY AND ACTION REQUESTED</u>: Pursuant to State law regarding September 15th, 2010 adoption of the *Preliminary* 2011 General Levy, and subsequent to deliberations by and recommendation from the Budget & Finance Sub-committee, and Council discussion of the proposed 2011 General Levy and Annual Budget a this evening's Workshop, the City Council is asked to affirmatively consider and adopt the *Preliminary* 2011 Levy and Annual Budget. To do so, the Council motion and consideration/action should be to:

Move to approve Resolution 2010-044 adopting the preliminary 2011 General Levy and Annual Budget

BACKGROUND INFORMATION: The City of Lake Elmo has both the legal and fiduciary responsibility under Minnesota State Statue to adopt a *Preliminary* 2011 General Levy by September 15th, 2010. Typically, the City Council also adopts a *Preliminary* Annual Budget at the same time. Following such adoption, the City Council may lower, but not raise the General Levy and a final Levy and Budget must be adopted by December 31st, 2010.

SUBCOMMITTEE/STAFF REPORT: Attached for Council consideration is the proposed Preliminary 2011 General Levy and Annual Budget. The Budget & Finance Sub-committee evaluated several options before focusing on three specific scenarios. City Staff will present and review the proposed Preliminary General Levy and Budget scenarios with the City Council at a Workshop prior to tonight's meeting. A detailed Subcommittee/Staff Report is also attached

The Budget & Finance Sub-committee is recommending affirmative Council consideration of Scenario C, which presents a fiscally austere budget with only a marginal increase in the overall tax rate, due in large part to efforts to recoup lost local government aid from the State of

Minnesota, increasing debt service for continuation of the City's street reconstruction program, and a decline in overall taxable market value by approximately 5%.

RECOMMENDATION: It is recommended that the City Council conduct its Budget Workshop prior to tonight's meeting, receive City staff's presentation, and review the recommendations of the Budget & Finance Sub-committee. Upon completion of this and any additional discussion or public input at tonight's meeting, it is recommended that the City Council pass Resolution 2010-044, thereby approving the Preliminary 2011 General Levy and Annual Budget by undertaking the follow motion:

"Move to approve Resolution 2010-044, adopting the Preliminary 2011 General Levy and Annual Budget."

Alternatively, the City Council does have the authority to adjust the *Preliminary* 2011 General Levy and Annual Budget, either tonight or prior to September 15th, 2010. The City Council may also continue to modify its final Levy and Budget during subsequent actions prior to December 31st, 2010. However, the City may not increase its Tax Levy higher than that submitted to Washington County by September 15th, 2010, thereby constraining somewhat major increases in the City's budget. It should also be noted that both the Annual Budget and the forthcoming 2011-2015 CIP can be amended and/or modified by the City Council during the 2011 fiscal year. To make adjustments at tonight's meeting, the suggested motion would be:

"Move to approve Resolution 2010-044, adopting the Preliminary 2011 General Levy and Annual Budget [as amended at tonight's meeting]."

CITY OF LAKE ELMO WASHINGTON COUNTY, MINNESOTA

RESOLUTION NO. 2010-044

RESOLUTION APPROVING PROPOSED 2010 TAX LEVY, COLLECTIBLE IN 2011 & PROPOSED 2011 BUDGET

WHEREAS, the City Council has conducted budget council and committee meetings;

WHEREAS, the City is required to adopt a proposed budget for payable 2011 and certified its proposed property tax levy for payable in 2011.

BE IT RESOLVED that the City adopts the proposed 2011 Budget,

BE IT FURTHER RESOLVED by the Council of the City of Lake Elmo, County of Washington, Minnesota that the following proposed sums of money be levied for the current year, collectible in 2011, upon taxable property in the City of Lake Elmo, for the following purposes:

Total General Fund Levy	\$ 2,409,867
Total G.O. Debt Levy	\$ 304,656
2010 MVHC Unallotment Levy	\$ 37,518
2011 MVHC Unallotment Levy	\$ 37,518
Total Levy	\$ 2,789,559

BE IT FURTHER RESOLVED that the City Clerk is hereby instructed to transmit a certified copy of this resolution to the County Auditor of Washington County, Minnesota.

ADOPTED, by the Lake Elmo City Council on the 7th day of September, 2010.

Mayor	

ATTEST:

Bruce 1	viesselt	
City Ac	lministr	ator

City of Lake Elmo <u>Subcommittee/Staff Report: 2011 Budget and Property Tax Scenarios</u> September 7, 2010

Using Scenario C (see below), the preliminary General Fund budget for 2011 is balanced with \$2,919,325 revenues and \$2,919,473 expenditures and transfers out. A General Fund property tax levy of \$2,409,867 is included in the 2011 revenues budget, as well as estimated levies for the Market Value Homestead Credit (MVHC) cuts of 2010 and 2011.

Various taxing scenarios were developed as part of the 2011 budget process and are described below (also, see attachments). A 5% decrease in overall property tax capacity was assumed in all scenario projections.

SCENARIO A: Levy to Levy Limit; Levy Back 2010 & 2011 Cuts; 2010 Bonds Over 10 Years

This scenario increases the General Fund property tax levy from \$2,360,790 in 2010 to \$2,409,867 in 2011. This increase of \$49,077 includes an implicit price deflator of 1.68% contained in the State's levy limit calculation, as well as increases for the number of homes in the City and increases for new commercial/industrial valuation. Additionally, allowable special levies to recover the City's 2010 MVHC ratified unallotment cut of approximately \$37,518 and the 2011 MVHC cut of approximately \$37,518 are included.

A new special debt service levy of an estimated \$57,994 for first year payments on forthcoming 2010 general obligation (G.O.) street improvement bonds was also included, using a 10 year repayment schedule.

The overall tax rate would increase from 20.479% in 2010 to 22.583% in 2011, or 10.3%. Property owners with no market value change from 2010 to 2011 would experience a 10.3% increase in City property taxes, while property owners with a 5% decline in market value would experience a 4.8% increase in City property taxes.

SCENARIO B: Levy to Levy Limit; Levy Back 2010 Cuts Only; 2010 Bonds Over 10 Years

This scenario is the same as Scenario A, but excludes the approximate 2011 MVHC cut of \$37,518.

The overall tax rate would increase from 20.479% in 2010 to 22.269% in 2011, or 8.7%. Property owners with no market value change from 2010 to 2011 would experience an 8.7% increase in City property taxes, while property owners with a 5% decline in market value would experience a 3.3% increase in City property taxes.

SCENARIO C: Levy to Levy Limit; Levy Back 2010 & 2011 Cuts; 2010 Bonds Over 10 Years; Reduce 2004A Bonds Levy

This scenario initially reverts back to Scenario A by reinstating the levy for the estimated 2011 MVHC cut of \$37,518.

Additionally, in this scenario the 2004 G.O. Capital Improvement Plan Bonds property tax levy for 2011 is reduced from \$220,000 to \$140,000, or a decrease of \$80,000. This reduction would be contingent upon Council approval of the transfer of \$200,000 of unspent bond proceeds from the City Facilities capital projects fund to the associated 2004 G.O. Capital Improvement Plan Bonds debt service fund. The \$200,000 transfer would reduce the 2004 bonds previously scheduled levy over the next 5 years as follows (not including the impacts of a potential refunding of the bonds):

Previously Scheduled Levy	Revised Levy	Levy Reduction/ <u>Transfer</u>
	•	
\$220,000	\$140,000	\$80,000
\$220,000	•	\$60,000
\$220,000	* .	\$40,000
\$220,000		\$20,000
\$220,000	\$220,000	\$0
	\$220,000 \$220,000 \$220,000 \$220,000 \$220,000	Scheduled Levy Revised Levy \$220,000 \$140,000 \$220,000 \$160,000 \$220,000 \$180,000 \$220,000 \$200,000

Under this scenario, the overall tax rate would increase from 20.479% in 2010 to 21.914% in 2011, or 7.0%. The debt levy reduction of \$80,000 would not affect the General Fund, but would simply reduce the overall property tax levy.

Property owners with no market value change from 2010 to 2011 would experience a 7.0% increase in City property taxes, while property owners with a 5% decline in market value would experience a 1.7% increase in City property taxes.

MAYOR & COUNCIL COMMUNICATION

DATE:

09/07/2010

CONSENT

ITEM #:
MOTION

Resolution 2010-045

AGENDA ITEM: Set Hearing Dates for Budget & Levy Discussion

SUBMITTED BY: Tom Bouthilet, Finance Director

THROUGH:

Bruce Messelt, City Administrator

REVIEWED BY: Joe Rigdon, KDV

<u>SUMMARY AND ACTION REQUESTED</u>: The City Council is respectfully requested to consider setting the Truth in Taxation Public Meeting, as required by State law. The recommended motion to do so is as follows:

"Move to approve Resolution 2010-045 setting December 7th, 2010 at 7:00PM for the Budget and Levy discussion and time set aside to allow the public to speak.

BACKGROUND INFORMATION: The requirements to hold a special Truth in Taxation (TNT) public hearing, continuation hearing and levy adoption meeting have been recently repealed. Cities with a population over 500 are still required to hold a single meeting in which the public is allowed to speak and the budget and levy is discussed. This meeting may be part of a regular scheduled meeting however it must occur after 6:00PM.

The previous TNT Publication requirements have also been repealed. However; the meeting in which the levy and budget will be discussed still needs to be submitted to the County for publication on the tax parcel specific notices. The requirement for cities to hold a meeting on days other than the various taxing authorities had also been repealed.

STAFF REPORT: The repeal of previous requirements allows the City to conduct a meeting where the budget and levy will be discussed and the public will be allowed to speak at a regular scheduled City Council meeting. Staff recommends the fulfillment of this requirement on December 7th, 2010 at 7:00PM, as part of the regularly scheduled City Council meeting.

RECOMMENDATION: Based upon the above background information and staff report, it is recommended that the City Council approve Resolution 2010-045 setting December 7th, 2010 at 7:00PM for Budget and Levy discussion.

"Move to approve Resolution 2010-045 setting December 7, 2010 at 7:00PM for the Budget and Levy discussion and time set aside to allow the public to speak.

Alternatively, the City Council does have the authority to table this item for additional deliberation or select an alternative date at tonight's meeting. However, action to set this date must be taken by September 15th, in order to comply with state law. As such, any delay or tabling of this action at tonight's meeting will necessitate holding an Adjourned Meeting on September 14th. If the former action is undertaken (setting a different date), the appropriate action of the Council following such discussion would be:

"Move to approve Resolution 2010-045 setting ______, 2010 at _____ PM for the Budget and Levy discussion and time set aside to allow the public to speak.

CITY OF LAKE ELMO WASHINGTON COUNTY, MINNESOTA

RESOLUTION NO. 2010-045

A RESOLUTION SETTING THE TRUTH IN TAXATION PUBLIC HEARING DATES FOR THE 2011 TAX LEVY

WHEREAS, the City is required to set a single meeting for discussion and final approval of the 2011 budget and tax levy; and

WHEREAS, the City will publish the date, time and location for the public meeting; and

WHEREAS, the public will be given the opportunity to speak

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the City of Lake Elmo has set December 7th, 2010 at 7:00 p.m. as the public meeting date for the final adoption of the 2011 tax levy and budget.

ADOPTED, by the Lake Elmo City Council on this, the 7th day of September, 2010.

	Dean Johnston, Mayor
