*** PETITION OPPOSING ROGER E. KOLSTAD REZONING ***

I oppose the ROGER E. KOLSTAD request for rezoning, from Rural Residential (RR) to Residential Estates (RE) (see property description in item 3), and his request for preliminary plat approval of a nineteen (19) lot subdivision, to be known as Arabian Hills (see property description item 3). I also oppose the ratification of "RESIDENTIAL ESTATES ZONING", because each of these acts are NOT IN KEEPING WITH THE CURRENT LAND USE POLICIES (see items 1 and 2), that are expressed in the existing Lake Elmo Comprehensive Plan.
