

Since we do not have time to discuss every point presented, it may seem that decisions are preconceived. However, background information is provided for the City Council on each agenda item in advance from City Staff and appointed Commissions; and decisions are based on this information and past experiences. In addition, some items may also have been discussed at previous Council meetings. If you are aware of information that hasn't been discussed, please fill out a "Request to Appear Before the City Council" slip; or, if you came late, raise your hand to be recognized. Comments that are pertinent are appreciated. Items requiring excessive time may be continued to another meeting.
